

Your privacy is important to us. It is WomenHood's policy to respect your privacy regarding any information we may collect from you across our website, <https://www.womenhood.com.au>, and other sites we operate.

Information we collect

Log data

When you visit our website, our servers may automatically log the standard data provided by your web browser. This data is considered “non-identifying information”, as it does not personally identify you on its own. It may include your computer’s Internet Protocol (IP) address, your browser type and version, the pages you visit, the time and date of your visit, the time spent on each page, and other details.

Personal information

We may ask for personal information, such as your name and email address. This data is considered “identifying information”, as it can personally identify you. We only request personal information relevant to providing you with a service, and only use it to help provide or improve this service.

How we collect information

We collect information by fair and lawful means, with your knowledge and consent. We also let you know why we’re collecting it and how it will be used. You are free to refuse our request for this information, with the understanding that we may be unable to provide you with some of your desired services without it.

Use of information

We may use a combination of identifying and non-identifying information to understand who our visitors are, how they use our services, and how we may improve their experience of our website in future. We do not disclose the specifics of this information publicly, but may share aggregated and anonymised versions of this information, for example, in website and customer usage trend reports.

Data processing and storage

We only retain personal information for as long as necessary to provide a service, or to improve our services in future. While we retain this data, we will protect it within commercially acceptable means to prevent loss and theft, as well as unauthorised access, disclosure, copying, use or modification. That said, we advise that no method of electronic transmission or storage is 100% secure, and cannot guarantee absolute data security.

Third-party access to information

We may use third-party services for our website and marketing activity. These services may access our data solely for the purpose of performing specific tasks on our behalf. We do not share any personally identifying information with these services without your explicit consent. We do not give these services permission to disclose or use any of our data for any other purpose.

We will refuse government and law enforcement requests for data if we believe a request is too broad or unrelated to its stated purpose. However, we may cooperate if we believe the requested information is necessary and appropriate to comply with legal process, to protect our own rights and property, to protect the safety of the public and any person, to prevent a crime, or to prevent what we reasonably believe to be illegal, legally actionable, or unethical activity.

We do not otherwise share or supply personal information to third parties. We do not sell or rent your personal information to marketers or third parties.

Cookie Policy

We use cookies to help improve your experience of <https://www.womenhood.com.au>. This cookie policy is part of WomenHood's privacy policy, and covers the use of cookies between your device and our site.

If you don't wish to accept cookies from us, you should instruct your browser to refuse cookies from <https://www.womenhood.com.au>, with the understanding that we may be unable to provide you with some of your desired content and services.

What is a cookie?

A cookie is a small piece of data that a website stores on your device when you visit, typically containing information about the website itself, a unique identifier that allows the site to recognise your web browser when you return, additional data that serves the purpose of the cookie, and the lifespan of the cookie itself. Cookies are used to enable certain features (eg. logging in), to track site usage (eg. analytics), to store your user settings (eg. timezone, notification preferences), and to personalise your content (eg. advertising, language). Cookies set by the website you are visiting are normally referred to as "first-party cookies", and typically only track your activity on that particular site. Cookies set by other sites and companies (ie. third parties) are called "third-party cookies", and can be used to track you on other websites that use the same third-party service.

How you can control or opt out of cookies

If you do not wish to accept cookies from us, you can instruct your browser to refuse cookies from our website. Most browsers are configured to accept cookies by default, but you can update these settings to either refuse cookies altogether, or to notify you when a website is trying to set or update a cookie.

If you browse websites from multiple devices, you may need to update your settings on each individual device. Although some cookies can be blocked with little impact on your experience of a website, blocking all cookies may mean you are unable to access certain features and content across the sites you visit.

Limits of our policy

This privacy policy only covers WomenHood's own collecting and handling of data. We only work with partners, affiliates and third-party providers whose privacy policies align with ours, however we cannot accept responsibility or liability for their respective privacy practices.

Our website may link to external sites that are not operated by us. Please be aware that we have no control over the content and policies of those sites, and cannot accept responsibility or liability for their respective privacy practices.

Changes to this policy

At our discretion, we may update this policy to reflect current acceptable practices. We will take reasonable steps to let users know about changes via our website. Your continued use of this site after any changes to this policy will be regarded as acceptance of our practices around data and personal information.

Your rights and responsibilities

As our user, you have the right to be informed about how your data is collected and used. You are entitled to know what data we collect about you, and how it is processed. You are entitled to correct and update any personal information about you, and to request this information be deleted.

You are entitled to restrict or object to our use of your data, while retaining the right to use your personal information for your own purposes. You have the right to opt out of data about you being used in decisions based solely on automated processing.

Feel free to contact us if you have any concerns or questions about how we handle your data and personal information.
